Garurumon

Garurumon
>
The day starts off as normal
>We're standing near a cliff
Our adventures in this land so far

>Have left me totally scared stiff
>Our leader, Tai, looks over
To see where we are
>We're definitly not on earth
We must've traveled far
>
We then hear something behind us
>And turn around to see
Two monocromons
>Looking might hungry
>"They're fight over territory"
"Well, they can just have it then"

>We run away from that spot
In search for a quieter den
>
We walk until the sun sets
>An unusual sight to be seen
When Tentomon smells something
>A lake that looks serene
>We fish and pick for food
Avoiding the poisonous ones
>With some help from our digimon
We eat and share some puns

>
We settle in a trolley car
>That was totally empty
But Mimi could sleep
>With all her company
>Tai took the first watch
While I tried to sleep
>I sent Gabumon to T.K.
Without so much as a peep
>
I still couldn't sleep
>So I went out for some air
Tai asked me about T.K.
>He was totally unaware
>I said we live apart
He said,"Well, that explains a lot."
>That made me mad
So I found a new thinking spot
>
I started to play my harmonica

>When Gabumon silently came forth
"When a beautiful sound,"He complimented
>It didn't carry much worth
>Then I heard a noise
It was coming from the lake
>When Seadrmon appeared
For all hell's sake
>
He pulled the island away
>Taking my little brother too
I jumped in after him
>Not really knowing what to do
>None of the digimon
Had enough strengh as they were
>Agumon couldn't digivolve
Gabumon was worried about his fur

>
When T.K. fell in
>I expected the worst
Then Gomamon popped up
>I had to have save T.K. first
>I thought I could distract him
Maybe play a little decoy
>Then he pulled me under
And made me his food toy
>
When he was about to eat me
>Gabumon did the unimaginable
He digivolved to Garurumon
>And suddely he was capable
>He jumped into the air
And set me free
>Then he bite Seadramon
Who was super angry
>
Seadramon's breath blew forth
>And Garurumon was frozen solid
He had used his "Lethal Ice Blast"

>What was saw was horrid
>But Garurumon won out
With Howling Blaster at hand
>He turned back into Gabumon
And came back onto the land
>
I thanked him many times
>And so did my little brother
"Anytime little friend"
>He was a friend like no other
>We all slept real well that night
But I stayed up and played

>"Big bro, you're the best"
Is all T.K. had to say.
